

### A different newsletter...

We are keen to support the local community with the various events and opportunities that exist for people in Haywood Village. We recognise that we can add lots of this information to our x3 termly school newsletters however, for the next year, we will release a termly newsletter to focus on community and beyond-school information.

### **HALE**

Haywood Village Airfield Enterprises (HALE) is a community group led by Vicky Lindsay and Dave Robson, both residents of Haywood Village. It is a not-for-profit volunteer management group. HALE's sole purpose is to support the community.

HALE have the lease on areas of site, which the school also leases with North Somerset Council. In short, the school is able to use the majority of the site for most of the time. However, HALE lease the community room, plus toilet facilities (in front of staff car parking) and community changing rooms all day and all year round. HALE lease the school hall and field from 5pm – 7am during term time, and all day and every day of the school holidays.

Within those times, HALE have built up a number of customers who sublet the spaces to provide community opportunities. We have invited HALE's users to share these opportunities with us. We are attaching their flyers/posters to this newsletter in a hope to support you, your family and friends to be aware and access opportunities that are based at the school site and have been organised for the

community. Contact HALE for more information: <a href="https://haywoodairfleldle@gmail.com">haywoodairfleldle@gmail.com</a>

For ease, we have listed some of the groups and activities below:

- **Boxing plus circuits** with various equipment 'Warrior' on Mondays at 6.30pm
- Bridge Club on Saturdays, 1.30pm for 1.45pm

## **Haywood Church**

Fiona Mayne, who is known to HVA as she is part of our Academy Council (governance team), is Haywood Village Church pioneer minister. If you would like to join activities linked to the church, you can find them on their website <a href="https://haywoodvillagechurch.org/about/">https://haywoodvillagechurch.org/about/</a>

Fiona also welcomes families with young children, including those attending the school to attend Take 5 on Tuesdays in the community room. Simply put – this is a social.

# How to get involved in Haywood Village Residents Association?

Would you like to support the community group that has, in the past, organised and coordinated events in Haywood Village. If so, contact Dave Robson (haywoodairfleldle@gmail.com). Whilst Dave leads HALE, he has also led the community, from its inception, through the Haywood Village Residents Association.

## Get in contact

This is not necessarily an advertising space for businesses in general, but more of a signposting to support and opportunities for families. If you feel the work or groups you are aware of would be well placed to feature on this newsletter, please get in touch.
