

For the latest news and updates, you could begin to listen to the new weekly radio show led by our new HVA DJ Crew that will feature on the website. The latest show which went live today should be on the website (fingers crossed it went well this afternoon). <https://haywoodvillageacademy.clf.uk/curriculum/school-radio-2/>

### The Community Dig

Thank you to Woodland Trust who have donated 400 trees to our school. You are welcome to join staff and families

for the community dig on Saturday morning (3rd December). We are planting 400 trees on the school grounds and are welcoming families and children to support this with as much time as you can offer between 9am and 11am. Spades, watering cans, trowels, and wheelbarrows all welcome. Do not forget to bring your wellies.

### Children in Need

This was a lot of fun and we managed to raise an impressive £600 for this very worthwhile charity.

### The Free Lines World Cup Football card Album

So many children and members of our community have drawn football players as part of the drawing project that our school was chosen to do. The publishers now have begun printing these albums and they will hopefully be ready for the 9th December, selling for £5 each. All money raised goes to the PTA to support resources in schools.

### Warm clothes for winter playtimes

Please bring in winter clothes for your child to enjoy fresh air playtimes. We are still having some children come in without clothing to keep them warm. If families do not have winter coats, hats or scarves, please let us know as we have received a few items (and welcome more) that we can pass on as donations.

### Clubs

We will soon be sharing the clubs for Term 3. We are pleased that many have been able to access the clubs for drawing, recorders, football, netball, Makaton, multi sports to name a few. Below are a couple of pictures from a recent Christmas craft club with Mrs Rose, where children have enjoyed making festive makes including decorations, cards, reindeer food and marshmallow snowmen.

### Learning in action!

Check out our school website and view the year group curriculum pages to view more images of learning in action.
