

Attendance remains high, and with 12 school days left over the next 3 weeks, everyday counts before the summer break. The children have missed so much face to face school time this year. I am sure you agree that giving the children as much time to learn and play together is important. We believe that the disagreements and agreements between children, support and independence in learning, the teaching and support to understand and revisit concepts across the curriculum is all important.

Calendar update

- Wednesday 7th July Sports Day – **Postponed.**
- Tuesday 6th & 8th July: Meet their new class teacher transition in the afternoons. A text will be sent to parents confirming classes for Year 1 – 6 at 3:30pm.
- Tuesday 13th Art Gallery in the day and evening. Times detailed below.
- Wednesday 14th July – Sports Day Children only Children wear PE kit to school.
- Monday 19th July - End of Year reports to parents.

Learning until the end of term...

With 12 days left of education, every day continues to count and our teaching teams continue to work hard to plan and teach lessons to meet your child's needs. Thank you for supporting continued high attendance, including those families who are accessing learning online should they be isolating.

More visits from the past...

A huge thank you to Weston-super-Mare's Heritage museum. The museum has been fantastic at supporting the enrichment of our curriculum. The school's budget and some contributions from families have helped support the museum's workshops and resource donations.

Art Gallery

We are excited to showcase Art in school. In partnership with Haywood Village Leisure Enterprises (HALE) we have all day and evening use of the school hall, to showcase children's art on Tuesday 13th July.

We will aim to display a piece of art from every child. With social distancing in place, families will have an opportunity to walk through a one-way system within the allocated time slots below:

| <u>First option of time slots:</u> | <u>Second option of time slots:</u> |
|------------------------------------|-------------------------------------|
| 1-1.30pm Reception parents | 4-4.30pm Reception parents |
| 1.30-2pm Year One parents | 4.30-5pm Year One parents |
| 2-2.30pm Year Two parents | 5-5.30pm Year Two parents |
| 2.30-3pm Year Three parents | 5.30-6pm Year Three parents |
| 3-3.30pm Year Four parents | 6-6.30pm Year Four parents |
| 3.30-4pm Year Five parents | 6.30-7pm Year Five parents |

Summer Holiday Club

Parents received an email with a poster for a Summer Holiday Club between 23rd – 27th August. We are really excited that members of our teaching team will be present throughout the week, as we invite the Museum, Mr Camper (the sports coach), Space Detectives, Zoolab and Forest school leaders in. We know that the demand will exceed capacity but we hope many parents can take advantage of the £15 per day price or free price for pupils in receipt of pupil premium. **Ring the school office between 11am – 4pm to book a place.** Our sponsors include:

Is your child entitled to pupil premium?

Children can be eligible for the pupil premium for a variety of reasons. These include their family circumstances, such as their income or occupations. If you would like to contact Mrs Yacomeni and be ready to share your National Insurance number, she can investigate this with you.

Take 5 will be back

Take 5 was an afternoon parent social held in our school hall on one afternoon a week. Take 5 will start back in September subject to getting more volunteer mums, dads or carers to offer help once a month to enable it to happen. If you are keen to support, please text Fiona Mayne 07788 418347 to put your name down.

Looking ahead ! Oh no we're not! Oh yes we are!

As a school we have booked the Panto for Christmas at the Weston Playhouse. This is really exciting and I am so pleased to share that in December we have booked a whole school trip to see Jack and the Beanstalk. Our admin team are busy booking for all Reception to Year 6 children and organising coaches. We wanted to share this news in advance, so as families avoid booking up as well. There will be an opportunity for parents to volunteer and this will be organised in September.

MUGA & School field use

The Multi-Use Games Area (MUGA) is part of a shared use agreement between HALE (Haywood Airfield Leisure Enterprises) and the school. Outside of school hours, it is for community use. If you have concerns with how it is being used outside of school hours, please contact HALE directly. Information can be found on our website <https://haywoodvillageacademy.clf.uk/contact-us/lettings-information/>

The school field should be lettings only use. This means that outside of school hours, its use should be through organised bookings. It is not a recreational free playing area. We would encourage parents to support HALE with discouraging children to play on the field outside of school hours.

Teaching Teams for 2021-2022

Today, children will have an opportunity to meet their children's new teacher. We will also be welcoming new reception children into school alongside Pre-school children moving into Reception. Your child will come home and tell you their class teacher. If you are unsure who your child's class teacher is, please contact us at the school. In September, we will have opportunities to Meet the Teacher in the first 2 weeks.
