

This final term is often feels very busy and seems to fly by. We hope that we can all enjoy it. There are usually more events than in other terms, and we can all, including teachers, find it an emotional time as we see our children preparing to move to the next year group.

### When will I find out my child's next class?

We are currently finalising Class Teaching teams. As some parents will be aware, the teacher resignation date ahead of September is 31<sup>st</sup> May. This means some staff changes take place at this time and all schools are then in a position to secure replacement staff. For us at HVA, once we organise teachers, we then look to organise Learning Partners. We intend to inform parents of the Class teachers in the coming weeks in time for the transition 'moving up days' on Tuesday afternoon on the 2<sup>nd</sup> July, and Thursday afternoon on the 4<sup>th</sup> July.

### This week's assembly theme...

This week we have explored the theme of Great Learners and the importance of making the most of every day. We have considered our school value of 'responsibility' and how we are responsible for our own actions.

*An example of a highly motivated learner - as citizens, Year 6 have been exploring self-image and how we can always stay positive. One fantastic learner was inspired by this and has written a great poem.*

**Next week's assembly theme** is Learning Disability week. We will focus on neurodiversity and how learners overcome challenges and can continue to be successful. Our school values of Respect and Empathy will be central to our assemblies.

### History in an Eggbox

We are excited by the 'history in an eggbox project'. This is running all term for every child, if they would like to take part. Miss Farmer, our History Lead, is keen to showcase these in school and at Weston Museum in the summer. Your eggbox can feature local history or any aspect of history you choose.

### Art Gallery – Tuesday 9<sup>th</sup> July

In next month's Annual Art Gallery, we would like to invite parents and families to consider contributing to our Art Gallery. We would love to showcase art from those that enjoy art as a hobby and those that do it professionally. Whilst we recognise Art takes many forms, we are keen to see example of art within painting, drawing, printing, 3D sculpture or collage. If you would like to contribute, please send an email to [info@hva.clf.uk](mailto:info@hva.clf.uk) and Mr Jones or Miss Horton (Year 2) will discuss this with you.

### England v Denmark Football Match

Year 6 would like to invite you and your family to watch the England V Denmark European Championship 2024 football game with us in the school hall on Thursday 20<sup>th</sup> June 2024. The game will commence at 5pm. Doors will open at 4:30pm. The event will be organised and run by Year 6 children as a fundraising event for their end-of-year (and school) celebrations. The game will be shown on our large projector screen, with seating available. There will also be face painting and refreshments to purchase, including a BBQ, licenced bar, and a sweet stand. The cost of this will be £2 per attendee and tickets need to be booked and paid for in advance. A letter has been sent to all parents.

### Sports Day

Sports Day will be on Wednesday 3<sup>rd</sup> July.

- \* **9am – 10am:** Pre-school.
- \* **10am – 12pm:** Reception, Year 1 and Year 2.
- \* **12pm – 1pm – picnic lunch.**
- \* **1:00pm – 3:15pm:** Year 3 – Year 6.

Parents are invited to come into school to watch their children take part. The children will be having packed lunches on this day and will be eating these outside. Parents are invited to bring picnic food in for themselves and eat with the children at lunchtime, **12pm - 1pm.** Sports Day will take place weather permitting. If the weather is poor and we have to postpone, the reserve date for Sports Day is Thursday 11<sup>th</sup> July.

### Last day of the school year

The last day of the school year will be an earlier finish to the school day. We will be finishing at 2pm. **There will be no Parachutes after school club on this day.**

### Summer Holiday activities – CTC

Please see attached CTC Summer School activities poster. You can book into opportunities for your child for 3 days of drama, dance, singing and stage craft. We will aim to share more summer holiday opportunities as we learn about these.

### We are saying a big thank you to...

We will say thank you, all the best and goodbye to Mrs Stainer, Mrs Rose, Mr Sharp and Mr Batchelor.

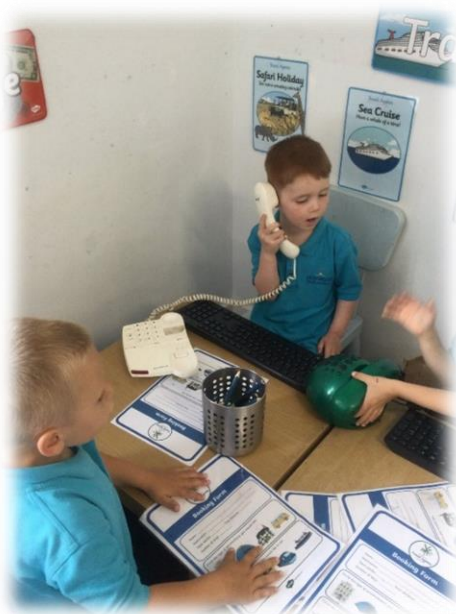

Mrs Stainer has been a Learning Partner at the school since 2018. Mrs Stainer is moving into a new educational role in the NHS. We will miss her hugely – so many children in our school will have been taught by the smilest of Learning Partners. Mrs Stainer starts her new role at the end of June.

Mrs Rose will be leaving at the end of the year and will be giving more time to her family. We hope to have her back in on occasions when she is free. We will miss her and her expertise in supporting all children, including those with SEND.

Mr Sharp is moving to another local primary school – Locking Parklands - to further broaden his experience of teaching in different primary schools. Mr Batchelor is moving back to his hometown of Weymouth. He has had 3 successful years with us and has shared that he will take all he has learnt with him as he continues his leadership journey.

### In the learning...

The school website captures some of the learning from this past week:

*Our Pre-school learners have got new jobs! They are travel agents for Apple Airways.*

*Reception children have enjoyed their Forest School lessons this week.*

*Year 1 scientists have been exploring magnetism.*

*As musicians, Year 2 have enjoyed their music lessons with Mrs Sear. They learnt some new musical words - pulse and timbre.*

Year 3 have been learning their mathematics in the sunshine.

Year 6 computer scientists have been exploring stop motion animation this term. They have started to work on their storyboards ahead of creating their own projects.

Year 4 designers began their electrical component theme of enquiry. They have been learning the process of designing and making their own bedside lamp. To begin this, they have discovered and evaluated existing products in the market for uniqueness, usability and target audience.

As designers, Year 5 have started to explore weaving as they work with textiles this term.

### School Calendar

Check our events pages events for our school calendar:

(<https://haywoodvillageacademy.clf.uk/events/>)

#### June 2024
