

SUMMER TERM NEWSLETTER

We thought it would be a great time to introduce our new termly newsletter. The last few months have been busy for the PTA and we have achieved so many great things. We had great success with our sleepover and a really exciting Easter egg raffle. Here is a summary of what we have done so far, and what's coming up next.

We Need Your Help

Our PTA needs more support, events can not run without awesome volunteers and class reps. So if you can give up just a few hours to support one event a year that would **AMAZING!** OR if you would like to be a class rep please let your class teacher know.

Hey Big Spenders!

We must confess we don't wait around when it comes to spending a bit of cash. Why? Because we want to make sure that the funds we raise as a result of your very hard work are spent not just wisely but also quickly, so our children can benefit from new resources and experiences without delay. We work closely with the school to identify the areas where some extra funding can go a long way and enrich our children's learning journey. These are some of the projects and initiatives we backed during the first term:

Class playtime resources: New games and activities for the children to enjoy during wet play.

Barrington Stoke dictionaries: They will help build spelling confidence and are dyslexia friendly.

Geography atlases: These will help to support the teaching of geography by giving classes great quality atlases.

Library books: We have brought lots of new fiction books to continue to expand our school library.
