

Thursday 12th February 2026

Dear Parents,

I am writing to follow up on the previous letter regarding the change of adults in Apple Class for Term 4. We are pleased to share that Mrs Jasmine McFallen will be joining the Pre-school team to cover Miss Cross's alternative placement at a local primary school within our trust.

Mrs McFallen will be planning and leading the learning in Apple Class throughout Term 4. Miss Cross has completed a full handover with Mrs McFallen and will continue to support with planning where possible. Mrs Trigg and Mrs Lee will remain as the consistent adults in the classroom.

Over the past two weeks, Mrs McFallen has also spent time in the provision, so you may already have seen her working with the children.

Thank you again for your continued support and understanding. We look forward to welcoming you back at the start of Term 4.

Yours sincerely

Della Hall
Assistant Principal
