Dear Parents,

School Christmas Card Project – School Print World

The Friends of Haywood Village Academy (PTFA) has some exciting news for all of us ahead of the holiday season! We are thrilled to announce a fantastic opportunity that allows your children's creativity to adorn your Christmas celebrations in a unique and memorable way. The PTFA has partnered again with School Print Word, a professional printing service, to transform your child's artwork into high-quality Christmas Cards, Gift Tags, Mugs, and more.

Imagine the joy and pride on your child's face when they see their drawings come to life on beautifully produced items, ready to be shared with family and friends as heartfelt gifts.

Here's how it works:

1. Your child will be given an **Artwork Template** in their book bag to create a drawing they would love to see on Christmas cards, gift tags, etc.
2. Submit the artwork to us by **Friday the 4th of October**, following the guidelines provided.
3. You will be sent a card sample and online ordering form to complete at home.
4. Your personalised items will be delivered to the school in time to spread the festive cheer with your unique and special gifts.

Prices have been thoughtfully considered to ensure that these keepsakes are accessible to every family, with the added benefit that a portion of the proceeds will go towards supporting HVA school projects.

We believe this initiative offers a beautiful way to showcase our children's talents while adding that personal touch to your holiday season. An order form and further details about the submission process will follow shortly.

Thank you for your continuous support and enthusiasm.

Warmest regards,

HVA PTFA
