

Tuesday 23rd June 2026

Dear Parents / Carers

Re: Red warning – extreme heat

We would like to share our remote learning opportunities for Wednesday and Thursday this week. Each morning, class teachers will be available via Microsoft Teams channels to share learning resources for the day. This will be at 9:00 for children in Reception and KS1 and 9:20 for children in KS2.

For attendance on Teams, there is not a requirement to have an official HVA Teams login. Children will be able to join as guests, similar to celebration assembly attendance.

Links for the morning check ins will be available via Class Dojo pages. Any further resources will be shared via the same page.

There will be a guide to the days' schedules posted onto Class Dojo that can be followed. We do understand that there will be other childcare, family and possible work commitments for our families. Therefore, we do not expect attendance on our Teams sessions or for completion of all learning to be compulsory.

In addition, the administration team have cancelled all bookings for breakfast club and parachutes after school club over the next 2 days.

If your child is entitled to free school meals, you will receive a £5.50 voucher via email to support with the cost of lunch over the next two days.

Thank you for your support at this time, we do hope you keep yourselves safe and look forward to seeing you on Friday 26th June.

Yours faithfully

Truon Ellis

Principal
