

11<sup>th</sup> October 2019

## MacMillan Cancer Coffee Morning

Thank you to the support for this event. The new reception parents really appreciated the cakes and hopefully you did as well at the end of the day. We raised £124.74!

## Forest School & Swimming

Next term, Forest School will be for Year 2 on Tuesdays and Year 3 on Wednesdays. Swimming will be Year 2 Elm class on Wednesdays.

## Wet weather

Many children are bringing in coats to school, but there are still some that are not. We will be sending children out to play in wet, windy and cold weather.

### Dates

Our website calendar has now been fixed and we will populate dates in the forthcoming week. ☺

## Website

Class webpages show regular updates on learning opportunities that are taking place at school.

## Name everything

A big plea from us for this weekend – check all your child's school clothes, including shoes and coats, to make sure everything is named.

Children in Year 3 brought in fun and creative sculptures for homework.

## General Data Protection Regulation (GDPR)

Please see our privacy notice our website: <https://www.clf.uk/governance/statement/privacy-notice/>

We will be providing you with an opportunity to check a data sheet of information we have on your child at Parents Evening. Please can you be ready to update on the night knowing any new information, such as contact phone numbers and addresses.

## Reading

A big thank you from all the teachers, especially our Reading leaders, Mrs Brice and Miss Hall, for the support of the new reading challenge at home. Daily reading really improves children's reading skills.

## Multi-Skills Competitions

Last week Year 4's participated in the Multi-Skills tournament. They represented the school well and enjoyed participating in a range of sports, including fencing!

## Christmas Performances

We will hold 5 performances in the last week of term for Reception to Year 4. We are sharing these dates with you (see list to the left). Over the next two weeks, we will organise the ticket allocation. We are holding one 5pm show, which we need children to return to school for. Please can you organise for your child to be picked up and returned to school for this.

## Mathletics online homework Y1-4

You have you child's online login details in their reading record. Help them log in to practise maths.
