

20<sup>th</sup> September 2019

Using our library - have you returned your HVA books?

## Clubs

This week our clubs have started and once again this year, we have managed to provide considerable discount on the true cost of clubs by using the £16000 Sports Grant that every school receives. Some clubs are free and others are not.

## Website:

We have updated our staff list on the website. This next week we hope to update each class page with the 'twitter' feed.

## School bags – Year 3 & 4 especially

Our cloakrooms are too small and pegs are not robust enough to have large rucksacks. As a health & safety precaution and a cost saving, we require the children to use school bookbags as per the school uniform policy.

## School Meal Supervising Assistants (SMSA)

If you are interested in supporting our children at lunchtime, we would like you to respond to an advert soon to appear. We are looking for covering staff. This could lead to more regular employment in future.

## Car parking

We have received a number of complaints about parents parking in residents' spaces in the car park near the school. Blue spaces are for parents. Green spaces are for shoppers to the Co-Op. Please do not park in the **yellow** spaces as these belong to residents.

## Cool Milk

When your child is 5 years old they will no longer receive free milk. If you want to pay for your child to have milk in school, please come to the school office and we can give you a Cool Milk leaflet. Thank you.

## Ideas & feedback

We are able to support children even better when we know them well, socially, emotionally as well as academically. We can support children even better if your experience of school is positive. If you have ideas or feedback – we urge you to communicate with us directly via email, phone or in person.
