

## PTA – Super Women Day

Dear Parents/ Carers,

The PTA are excited to invite pupils and their parents to attend our first 'Super Women Gift Making Workshop' on Friday 20<sup>th</sup> March from 3.20pm-4.45pm.

This workshop will give your children the opportunity to make something for, or with, a Super Woman or special lady in their life.

It will be held in the school hall and children will be offered a range of gifts to make. This will include bath bombs, personalised keyrings, fresh flower bouquets, decorated cupcakes, hanging decorations and Mother's Day cards. The craft activities vary in price from free, up to £2.

The PTA will also be selling refreshments, so please do pop along for a drink and some crafting fun!

Thank you for your continued support.
