Re: More adult readers wanted!

Dear Parents/Carers,

We are excited to share that we are looking for adults to support children with reading in school. Following the success of reading volunteers in pupils reading progress, motivation to continue reading at home and opportunities to hear more children read, I am appealing to anyone within our school community who has capacity within their busy lives to donate some time to become a volunteer. If you are available on any day, we would really appreciate you coming into school **on a regular basis** to listen to children read one to one.

Please **email Miss Crisp (georgia.crisp@clf.uk)** or **phone the school office** to let us know the days that you are free to come into school. We would appreciate it if you can contact us with this information before the end of this term. We would ideally like volunteers to come in from September onwards at 2.45pm as this fits best with our school timetable. However, we understand this may not be possible so please also specify other times you may be available.

When we have received all the replies, we will contact parents with the days that we would like you to come in.

Please note, you are committing to coming into school regularly so the school will need to undertake a DBS check.

Please email Miss Crisp or phone the school with the following information:

Name of parent/carer.

Name of child at school.

Days you are free to come into school (choose as many as you like).

Alternatively, if you have specific times you can attend, please let us know in your email.

Yours faithfully
Georgia Crisp
