Re: "Ready? Set? Go!" Maths revision book

Dear Year 6 Parents,

As we approach the final stretch towards the SATs, we understand the importance of ensuring our students are well-prepared and confident. To support their revision, we are excited to introduce a fantastic resource: the "Ready? Set? Go!" Maths revision book.

This comprehensive book, developed by Kangaroo Maths and JustMaths, is designed to cover everything your child needs to revise for their SATs. It includes all the topics they have learned throughout the year, presented in an engaging and accessible format. The children can write in the book, making it a practical tool for active learning and revision.

We cannot stress enough the importance of consistent revision in the lead-up to the SATs. Regular practice not only reinforces learning but also helps to build confidence and reduce exam-related anxiety. "Ready? Set? Go!" is an invaluable resource that will aid your child in their preparation, ensuring they are ready to tackle their exams with confidence.

The book is available for purchase through the school for a special price of **£5.50**. We strongly encourage you to take advantage of this opportunity to support your child's learning journey. If you would like to order a copy of the book for your child, please complete the reply slip below and return to school by Friday 28th February. The charge for the book will be added to Scopay.

Thank you for your continued support.

Yours sincerely,

Mr Allen

Mr Allen
Year 5 teacher and Maths lead

"Ready? Set? Go!" Maths revision book – please return slip by 28th February
