

Tuesday 22<sup>nd</sup> April 2025

**Visit from Flibbertigibbet: Babble**

Dear Parents and carers,

I would like to share details of an exciting opportunity within school hours for your child who is currently in pre-school or reception on **Monday 19<sup>th</sup> May 2025**. Flibbertigibbet is a Bristol based theatre company that will be hosting workshops in school using visual and physical theatre alongside the voice of the children to create a playful and unique performance. The performance will support your child to develop confidence with their communication and language skills with short- and long-term benefits for their use of oracy.

This opportunity outside of school would usually cost £17, however thanks to the PTFA (parent and teacher friends association) and school enrichment budget, we are able to heavily subsidise this to **only 50p per child**. We kindly ask that this payment is made by Wednesday 14<sup>th</sup> May via Scopay.

If you have any further questions, then please enquire with myself or class teachers.

Thank you,  
Georgia Short
