Dear Parents / Carers,

Re: Zoolab Visit Thursday 2nd May

As part of Term 5's themed enquiry, we are learning about the Rainforest. On Thursday 2nd May we are hosting Zoo Lab. This is a workshop where wild animals will be brought into school for the children to meet, hold and learn about. The purpose of this visit is to enrich children's understanding of the Rainforest through scientific enquiry.

This is an exciting and beneficial opportunity for the children and we would love for your child to attend. We can offer the visit at **£6** per child. Please return the attached slip and make the payment via Scopay by Thursday 18th April so that a risk assessment can be completed.

Yours faithfully
