14th July 2021

Dear Parents/Carers,

We recently wrote to you to invite you to our Summer Showcase on Monday 19th July at 1:15 – 3:00. Unfortunately, it looks likely that restrictions will not be eased by this date and we will not be able to hold a physical event. But rest assured, you will not miss out on all our amazing singing; **our Summer Showcase will be online!**

Each class will record and upload two class videos to our YouTube channel and we will also upload one whole school performance. The performances will be uploaded before the end of term and class teachers will promote it on their class' twitter page (links to twitter pages can be found below).

We are excited to show you the songs that we have been practising. It would be great if you could continue to help your child practise the songs at home. Please contact your class teacher if your child hasn't received lyrics already and they will be able to provide a copy. Children have been practising hard in school and are very excited to show off their singing online.

As a school, we are very proud to be working towards the 'Artsmark'. Our Summer Showcase performances will help towards us achieving our goal!
