Dear Parents

Joining our school & Reception transition

We are delighted that you have been offered a place for your child to join Haywood Village Academy in Reception for the academic year 2020/21.

Starting primary school is a key moment in a person's life. We are as excited as you are about your child joining our growing school. We are also conscious that you and your child may be anxious. We believe that providing opportunities to share information, visit the school and even meet other new families will help with the transition. However, at the time of writing this letter, we are, as you appreciate, in a period of school closure.

We have enclosed our 'Transition Arrangements for 2020' and we would ask that you make note of these key dates, which are a much reduced programme to our usual opportunities. Our first opportunity will be a welcome meeting hosted online on FacebookLive on the Haywood Village Academy Facebook page on **Tuesday 2nd June at 8:00pm or Thursday 4th June at 10am**. In this meeting, we will be sharing information about our transition arrangements, as well as providing you with an opportunity to ask any questions you may have.

Should the school find that we reopen prior to the planned school summer holiday, we will inform you and provide opportunities for visiting the school, with your child.

We look forward to meeting you and your family.

Yours sincerely

Craig Jones
