

Friday 10th June 2022

Dear Parents/Carers,

On **Thursday 23rd June**, your child will be immersed in a **Year 1 Historians 'WOW' day**. This will involve learning about what life was like for children in the past including the toys they had and games they played together.

Dressing up

For the day, we are encouraging children to dress up in Victorian style costumes to replicate children from the past. These costumes can be hand-made and as simple as you like. This will really help to immerse the children in a day of 'living in the past'. Please see the pictures below for ideas and come and ask us for any guidance on this.

Toys

It would be great if your child could also bring a toy in from the past. This may be a toy that their parents, or grandparents have played with as a child. We will then be able to share and talk about a wide variety of toys.
