Local History Month

Dear Parents,

I am excited to share with you an exciting opportunity for your children as part of **Local History Month**. Throughout May children across the school will be celebrating our local history. We have a number of opportunities planned for children to inspire their engagement and understanding as historians, including visitors, assemblies and in-class activities.

On Wednesday 4th May, your child will be taking part in a workshop with a local historian and artist, Rosie Smith. Rosie will be working within classes to share the local history of Weston and share her book "Weston-super-Mare in watercolours". Whilst all classes will be able to benefit from our school copy, Rosie is happy to sign copies for individual children. You can purchase these from:

Waterstones - Weston Sovereign Centre
Weston Museum - Burlington Street
The RNLI shop - Marine Lake

Rosie will also be around with copies of her books available at the end of the school day and will invite any parents or children to continue discussions with her.

Thank you for your continued support of history. If you have any questions, please do not hesitate to contact your child's class teacher.

Yours sincerely

Georgia Crisp

History Lead
