Dear Parents / Carers

Re: School trip to Wessex Water, Friday 16th June

Next term, as Geographers and Scientists, we will be learning about the water cycle. As part of this we will be visiting Wessex Water to learn about the water cycle through the lens of water recycling and water supply. Therefore, on **Friday 16th June** we will be visiting Weston-Super-Mare water recycling centre.

Please send your child to school wearing their school uniform and jumper/hoodie. The centre has advised that children wear a pair of sensible trousers, sturdy shoes, and a waterproof jacket. Children will need to bring a filled water bottle, a hat and suncream. They may bring a rucksack and they will have a secure location to store this at the centre.

We have booked a coach and children will need a packed lunch on the day. Please provide a healthy packed lunch and drink. Alternatively, if you would like to order a school packed lunch at the cost of £2.40 please indicate on the reply slip below. We will return to school at approximately 2:30pm and collection from classrooms will occur as usual.

The cost of the trip to the Wessex Water recycling centre is free. We will be taking part in various workshops throughout the day. We have booked a coach to provide transport and the cost per child for this is **£4.85**, which needs to be paid via Scopay. We have managed to reduce the price of the trip through the school's enrichment budget.

We have limited space for volunteers to join us. If you are available to volunteer and wish to accompany us on the trip, please indicate on the attached form. Thank you in advance for completing the reply slip by **Monday 5th June**.

Yours faithfully,

Miss Johnson and Mr Alfieri
Year 3 team
