## Year 6: Easter Revision letter

Dear Parent/Carer,

For the Easter break and heading into Term 5, we would like to share a list of resources that our Year 6 pupils will be provided with to support them as they head towards SATs week, starting on Monday 13<sup>th</sup> May 2024:

Y6 Easter Revision Pack – this will be sent home for the 2 weeks over Easter. It will contain a combination of reading, maths and SPaG activities to complete for return at the start of Term 5.

CGP books – At the start of Term 5, pupils will be provided with workbooks containing resources for fiction, non-fiction and poetry. These will be provided free-of-charge and will support home learning throughout the term.

This week, we will also be sending home the most recent mock test papers for Maths and Reading. Should you find it useful, these can be used as an opportunity to discuss progress with your child(ren). The links below provide mark schemes for each paper and marks required to meet the expected standard.

In short, a child can meet the expected standard for Year 6 by achieving a 'scaled' score of 100. This is translated from their 'raw' score (the number of marks scored on the paper).

You will also be aware that there are two separate revision sessions taking place in school on Wednesday 10<sup>th</sup> and Thursday 11<sup>th</sup> April. Please sign up if you haven't been able to already using this link <https://forms.office.com/e/WPJzWL73z>

Thank you for your ongoing support.

Yours faithfully

Year 6 Team
