Term 4 Artists Resources - Printing

Dear Year 2 parents/carers,

Next term, as Artists, we are learning the discipline of Printing. If you can, we would like your help to source some resources for the teaching and learning of this. Below is a list of materials we would like to use for printing and we would appreciate it if you could bring any of these into school for the children to use. Please remember that these items will be used to print with paint so will not be returned to you.

We will need:

- Cardboard- boxes/packaging
- Pebbles
- Shells
- Toilet roll tubes
- Leaves
- Tin foil

Any additional printing resources would be greatly appreciated.

Please start to bring these resources in from now so we can collect them.

Thank you in advance.

Mrs Horton and Miss Farmer
