

Wednesday 1st October 2025

Dear Parents and Carers,

We hope this message finds you well.

As part of our ongoing efforts to develop communication between school and home, we are trialling a new platform to share updates about your child's learning journey. Starting this term, Year 2 Elm will be trialling use of ClassDojo instead of X (formerly Twitter) to provide regular insights into classroom activities, learning highlights, and celebrations.

ClassDojo offers a more secure and interactive environment tailored specifically for schools and families. It allows us to share photos, information, and updates in a way that is private and accessible only to parents and carers of children in the class.

This trial will help us evaluate how well ClassDojo supports our communication goals, with a view to introducing it across the school as a full replacement for X/Twitter.

We are also currently reviewing the best options for sharing school-wide information in this way.

We will be sending out invitations by the end of this academic week so you can join the Year 2 Elm ClassDojo page. Please note, if accessing via mobile devices you will need the ClassDojo app installed.

If you have any questions or need support setting up your account, please don't hesitate to contact the Elm Class Team.

Thank you for your continued support.

Mrs. A Horton
Year 2 Elm Class Teacher
