

Friday 14th February 2025

Dear Parents,

On **Wednesday 2nd April**, we are hosting an 'inventors' day'. This is to celebrate our learning of inventors from Term 4. We are requesting the children dress-up to represent an inventor of their choice.

Costumes may link to people like Marie Curie, Albert Einstein, Steve Jobs or any other inventors that the children may choose. Just like World Book Day, you may find that recycling, reusing, borrowing, or just using a few props can help create an outfit.

If you are unable to provide a costume or part costume, please do not worry (we can provide something for your child) and please come and speak to us if you need further ideas.

We would be grateful for your engagement in this immersion day to help celebrate the children's learning from this term.

Previous outfits include:

			
<p><u>Inventor of the Rubik's cube</u> White t-shirt with a Rubik's cube drawn on and coloured necklaces, bracelets and a Rubik's cube prop.</p>	<p><u>Inventor of the light bulb</u> Shirt and trousers with cardboard light bulb prop.</p>	<p><u>Inventor of the camera</u> Lab coat with cardboard camera as a prop. Inventor of Barbie Using Barbie dolls as props.</p>	<p><u>Inventor of the Aeroplane</u> Shirt, trousers, hat, moustache and cardboard box.</p>

Yours faithfully

Miss Farmer and Mrs Horton
