

4th March 2024

Dear Parents,

On **Tuesday 26th March 2024**, we are hosting an 'inventors' day'. This is to celebrate our learning of inventors from term four. We are requesting the children dress in clothes to represent an inventor of their choice. This will also be the same day as Year 2's showcase which will be in the hall at 2:45pm.

Costumes may link to people like Marie Curie, Albert Einstein, Steve Jobs or any other inventors that the children may choose. Just like World Book Day, you may find that recycling, reusing, borrowing, or just using a few props can help create an outfit.

If you are unable to provide a costume or part costume, please do not worry - we can provide something for your child. Please come and speak to us if you need further ideas.

We would be grateful for your engagement in this immersion day to help celebrate the children's learning from this term.

Previous outfits include:

			
<p>Inventor of the Rubik's cube. White t-shirt with a Rubik's cube drawn on and coloured necklaces, bracelets and a Rubik's cube prop.</p>	<p>Inventor of the lightbulb. Shirt and trousers with cardboard lightbulb prop.</p>	<p>Inventor of the camera. Lab coat with cardboard camera as a prop. Inventor of Barbie using Barbie dolls as props.</p>	<p>Inventor of the aeroplane. Shirt, trousers, hat, moustache and cardboard box.</p>

Yours faithfully

Miss Farmer, Miss Horton and Mrs Waite
