RE: Term 3

Dear Parents/carers,

This term we will be continuing to learn about the Tudor period as Historians. To immerse children in their historical learning this term, we would like to invite an actor into school on **Tuesday 23rd of January**. The actor will facilitate active and engaging learning throughout the morning to include topics such as Henry VIII's life and hobbies.

To be able to provide this opportunity, we kindly ask that a small donation of £3.28 per child be made to support the cost of these activities. As we are following the Christmas period, we have applied a small discount to the original cost. Payments can be made using our online Scopay payment system. The charge will go onto Scopay next week.

Thank you for your on-going support.

Yours faithfully,

Mr Alfieri and Miss Johnson
