**RE: Historian Enrichment Term One**

Dear Parents/carers,

This term as historians we will be beginning to study Britain's settlement by Anglo-Saxons and Scots. To immerse the children in their historical learning we have invited an actor into school for the second week back who will be joining us on the morning of Wednesday 11th September. We would like to share that we are able to provide this opportunity at a small cost of **£3.00**, this needs to be paid via Scopay.

We anticipate the children will come home enthusiastic and motivated to share their knowledge, or even seek out more and your continued support with encouraging their interest is appreciated.

Thank you,

Yours faithfully,

Mrs Short and Miss Johnson
