

Tuesday 13th January 2026

Dear Parents and Carers,

I hope this letter finds you well. In June, all Year 4 children will be taking part in the Government's statutory Multiplication Tables Check (MTC).

Throughout this academic year, the children have been preparing for the MTC through daily mental maths starters, practice assessments, and regular use of Times Table Rock Stars (TTRS).

Fluency and accuracy are both key to success in the MTC. TTRS plays an important role in supporting this, offering a fun, motivating, and challenging way for children to build confidence and speed with their times tables. The aim is for pupils to be able to recall any multiplication fact up to  $12 \times 12$  in under six seconds.

I would like to invite all Year 4 parents, along with your children, to a TTRS workshop on Tuesday 10th February from 15:30 to 16:00. During this session, I will share more information about the MTC and how you can support your child at home.

If you have any questions in the meantime, please feel free to contact me at [luke.allen@clf.uk](mailto:luke.allen@clf.uk).

Yours faithfully,

Luke Allen

HVA Maths Leader
