Dear Parents / Carers

Re: Linking Schools trip 27/03/2024

This year, the children of Poplar Class have been taking part in the 'Linking Schools' project. The aim of the project has been to explore, understand and celebrate diversity in different areas from their own. The children have been linked up with a Year 5 class at Frome Vale Academy, a school based in Bristol that is part of our CLF cluster of school families. Poplar have been writing letters, sharing their interests and even got to meet the children through online calls! On Wednesday 27th March 2024, we now have the chance to meet them face-to-face at their school where we will engage in some of their learning, enjoy fun games and create lasting memories with their new friends.

Please send your child to school wearing their school uniform with a water bottle and a healthy packed lunch. Alternatively, if you would like to order a school packed lunch for your child at a cost of £2.40, please tick the box on the reply slip below.

The total cost this trip will be **£7.50** per child, discounted from £10 (the 'Friends of HVA' have generously donated £75 to help contribute to this). We would appreciate contributions for the cost of this trip to be made by Friday 15th March. *If payments are not received by this time, it may not be viable for the trip to proceed.*

Thank you in advance for your support,

Kind regards,

Mr Allen
