17th April 2024

Dear Parents / Carers

Re: Wessex Water trip Term 5

We would like to offer children an exciting educational enrichment trip this Summer Term.

On Thursday 9th May, we have arranged for children to visit Ashford Water Treatment Works (Wessex Water) in Cannington, Bridgwater. During this visit, children will learn all about water treatment and other activities that will link to the children’s learning as Geographers.

For the trip, children will need: suitable outdoor clothing for wind, rain, sun, storm, wellington boots for river work and spare trainers/shoes to wear for the return coach journey. Please provide a healthy packed lunch and drinks in cartons or containers (no glass bottles and preferably no single use plastic). If you would like to order a school packed lunch at a cost of **£2.40** please indicate on the reply slip below.

We have managed to reduce the cost of the trip through a donation from the Friends of Haywood and by using some of the school's enrichment budget. The cost of the trip will therefore be **£2.30** per child. The payment covers coach travel as the trip itself is free of charge and fully funded by Wessex Water.

We would appreciate payment for the trip to be made by Tuesday 30th April. If payments are not received by this time, it may not be viable for the trip to proceed.

Thank you in advance for your support,

Kind regards,

Mr Allen, Mr Blake, Mr Chapman
The Year 5 Team

Year 5 trip to Wessex Water – 9th May 2024

Child's Name: Class:

- I give permission for my child to attend this trip.
- I have provided payment via ScoPay
- I would like to order a school packed lunch at a cost of £2.40: Yes/No Ham Cheese
