Year 6: Easter Revision letter

Dear Parent/Carer,

For the Easter break and heading into Term 5, we would like to share a list of resources that our Year 6 pupils will be provided with to support them as they head towards SATs week, starting on Monday 12th May 2025:

Y6 Easter Revision Pack – this will be sent home for the 2 weeks over Easter. It will contain a combination of reading, maths and SPaG activities to complete for return at the start of Term 5.

revision pack**

This week, we will also be sending home the most recent mock test papers for Maths and Reading. Should you find it useful, these can be used as an opportunity to discuss progress with your child(ren). The links below provide mark schemes for each paper and marks required to meet the expected standard.

maths practice**

In short, a child can meet the expected standard for Year 6 by achieving a 'scaled' score of 100. This is translated from their 'raw' score (the number of marks scored on the paper).
