

Monday 2nd December 2024

Dear Parents,

We are pleased to announce that we will be able to offer clarinet lessons from **January 2025** during Wednesday lunchtimes to **Year 6** pupils.

These lessons will be run by Anne Clough who is our specialist music teacher from West of England Music and Arts. Anne is currently teaching your child the clarinet weekly and has seen great potential within your children, alongside some children showing an interest in pursuing this further.

There are ten spaces available which will be on a first-come, first-served basis. Sessions will last half an hour and will be over ten weeks. If ten children sign up the cost will be £22.48 for the ten weeks, which works out at £2.24 a session. However, if there is not enough interest there will be a slight increase in price. Once we have gauged an interest, we will be able to confirm the cost. If the school is in receipt of pupil premium for your child, the sessions will be offered at half price. The charge will be payable on Scopay.

If this is something your child would be interested in, please fill in the slip below and return to the office.

Yours faithfully
Miss Freeman
