

27th January 2023

Dear Parents/Carers,

Children in Poplar Class have a fantastic opportunity to take part in a Schools Linking programme this year. We will be linking with St Bernard's Catholic School.

Through the year, we will write to one another, play some games as classes in shared online lessons and send photographs, mini videos, pieces of artwork and poetry. All the work will be sent across by the teachers.

These are some of the questions linking will help us think about:

- ❖ **Who am I?** – thinking about things that make us who we are.
- ❖ **Who are we?** – thinking about the similarities and differences we may share with others.
- ❖ **Where do we live?** – learning about the places and communities we live in.
- ❖ **How do we all live together?** – thinking about how we all live, play, and work together so that everyone is treated fairly.

We look forward to sharing our learning from the linking work through the year. If you have any questions please get in touch.

Kind regards,

Mr Allen
